

LOVE 101 THEME SONG LYRICS

LOVE Plus Me equals LOVE Plus You • I Get Me Me, now, You Get Me Me, too.
LOVE Plus Me equals LOVE Plus You • I Get Me Me, now, You Get Me Me, too.

We can create a LOVE state • When we no longer tolerate
The crimes against each other • We all are sisters and brothers, now
So, don't let pigmentation • Create separation, now
Don't let these invisible lines • Create so many crimes
Against humanity • As they divide, you and me, because
LOVE will transcend • And, LOVE will bring an end
To all this war and hate • LOVE is our true spiritual state, now
So let's all unite you see • LOVE each other and GET ME ME!, now

LOVE Plus Me equals LOVE Plus You • I Get Me Me, now, You Get Me Me, too.
LOVE Plus Me equals LOVE Plus You • I Get Me Me, now, You Get Me Me, too.
LOVE Plus Me equals LOVE Plus You • I Get Me Me, now, You Get Me Me, too.

Universally we're all the same • Same definition, category and name
Same hope and DREAM for a good today • Happy tomorrow with more joy
on the way, now
So, don't let pigmentation • Create separation, now
Don't let these invisible lines • Create so many crimes
Against humanity • These lies of lack to you and me, because
LOVE will transcend • And, LOVE will bring an end
To all this fear and hate • LOVE is our true spiritual state, now
So let all unite you see • LOVE each other and GET ME ME!, now

LOVE Plus Me equals LOVE Plus You • I Get Me Me, now, You Get Me Me, too.
LOVE Plus Me equals LOVE Plus You • I Get Me Me, now, You Get Me Me, too.
LOVE Plus Me equals LOVE Plus You • I Get Me Me, now, You Get Me Me, too.
